Waipiro Hautū Kawenga – Hosting Responsibly with Alcohol

These guidelines will help hapū create a healthy marae environment that supports and encourages whānau, tamariki and rangatahi whakakore waipiro.

“Ko te manaakitanga
te mea nui – me tiaki
i te whānau”

*Being hospitable is very
important – look after the
whānau*

Our whakaaro is to create a positive and safe environment for our rangatahi and whānau that shows commitment to the health and wellbeing of all hapū members and visitors. Please follow these guidelines when hosting any event on our marae where alcohol is present:

- No alcohol is to be served to anyone under 18 years old.
- Have fresh jugs of water on every table.
- Serve plenty of kai.
- Offer non-alcoholic and low alcoholic drink options.
- Respect the marae - promote positive behaviour.
- Shut down before midnight.
- Have a transport plan in place to help guests get home safely if they are not staying on the marae.

TIP

**Supplying alcohol?
Be a great host and give
everyone a positive night
to remember.**
