Marae Auahi Kore Guidelines

This policy will help hapū create a healthy marae environment that supports and encourages whānau, tamariki and rangatahi to be auahi kore.

“Our whakaaro is for our marae to be auahi kore as smoking is not part of our tikanga”

To protect and enhance our air quality and to contribute to the health and wellbeing of all marae members, visitors, marae hirers, contractors and service providers - our marae is entirely auahi kore/smokefree.

- No one may smoke, use e-cigarettes, or vaping devices in any enclosed area or outdoor space on the marae.
- No one may smoke, use e-cigarettes, or vaping devices in their personal vehicles which are parked in the marae carpark areas or general outdoor spaces situated within the marae premises.
- Our marae will provide information for people seeking support to [quit smoking](#).
- To ensure that all members and visitors are aware of the auahi kore guidelines, adequate [signage](#) will be erected throughout the marae by the marae committee.
