# Health Promoting Schools

*Kia Piki Ake te Kete Hauora*

## Shared Vision

**School Name:** \_\_\_\_\_

### Vision

*Outline what the Health Promoting Schools Working Group wants to achieve, or how it wants the school to be.*

*A Vision:*

- *concentrates on the future and is a source of inspiration*
- *provides clear decision making criteria and/or strategic direction*
- *is a long-term view*

*e.g. "A happy, healthy, learning environment".*

---

---

---

---

### Mission

*Define the fundamental purpose of the group, basically describing why it exists and what it does to achieve its vision.*

*Remember HPS must clearly link to the School Charter.*

---

---

---

### Roles and responsibilities

*Identify the roles and responsibilities of all group members; this is fundamental to the group working effectively together.*

---

---

---

---

---

---

## Communication

Identify how the group is going to ensure open, two-way communication channels with students, staff, parents/whanau and the Board of Trustees to:

- provide regular Health Promoting Schools updates
- ensure that group members are effectively engaging with, and representing their peers
- receive formal/informal feedback and suggestions.

---

---

---

---

---

## Membership

Identify:

- membership of the group (group should be representative of the school community)
- minimum numbers of attendees required for group meeting to proceed
- how new members are recruited to the group etc.

---

---

---

---

---

## Meetings

Identify:

- meeting schedule, venue etc.
- process for meetings (including chair, agenda items, minutes distribution and task allocation).

---

---

---

---

---

## Review

A statement regarding the review process e.g. the shared vision shall be reviewed annually from date of approval. This may be altered to meet the current needs of all group members by agreement.
